# WORDS: LIFE OR DEATH

A Gateway Series

**ROBERT MORRIS**

**Only God can tame the tongue, but we have the responsibility to bridle it.**

Does your mouth get you into trouble? The tongue is powerful and humanly untamable. We often misuse this power to lie, curse, slander, or gossip. Negative or careless words open the door to the enemy and leave a trail of hurt.

The good news is words can also be cleansing and encouraging. When used with honor, they can connect us with God and one another. The sessions will teach you how to:

- Examine the intentions of your heart
- Allow the Holy Spirit to guide what you say
- Speak words that bring healing and forgiveness
- Develop a strong, trustworthy character

# THE BEAUTY OF SPIRITUAL LANGUAGE

Unveiling the Mystery of Speaking in Tongues

**JACK HAYFORD**

**Jack Hayford’s approach to speaking in tongues doesn’t fit the stereotype.**

Revised and expanded with new content.

People often think speaking in tongues is either gibberish or emotional exuberance. They think it is strange, dramatic, or sometimes excessive. Even among Spirit-filled communities, there is disagreement over the importance of tongues.

Pastor Jack makes a persuasive case for accepting tongues as a normal part of a Christian’s experience. In sensible, biblical terms he reaches across denominational lines to explain this intimate encounter with the heart of God. This revised and expanded edition includes fourteen never-before published lessons from Pastor Jack.

## About the Author

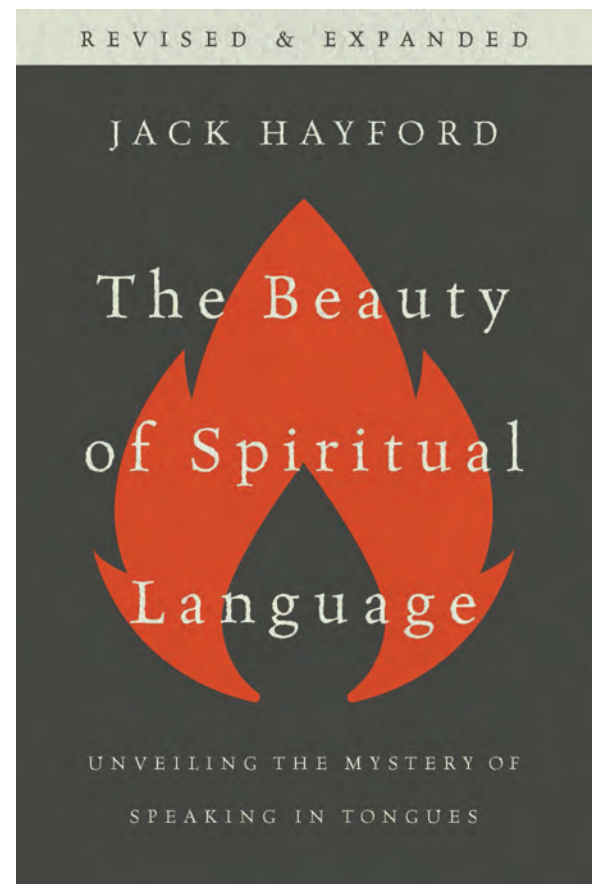

**Pastor Jack Hayford** has written or collaborated on over 100 books and composed over 500 songs, including the internationally acclaimed hymn, “Majesty.” He is the founding pastor of The Church On The Way in Van Nuys, California, where he served as the senior pastor for more than three decades. God Enthroned in our Worship

**JACK HAYFORD**

## Worship is a gift.

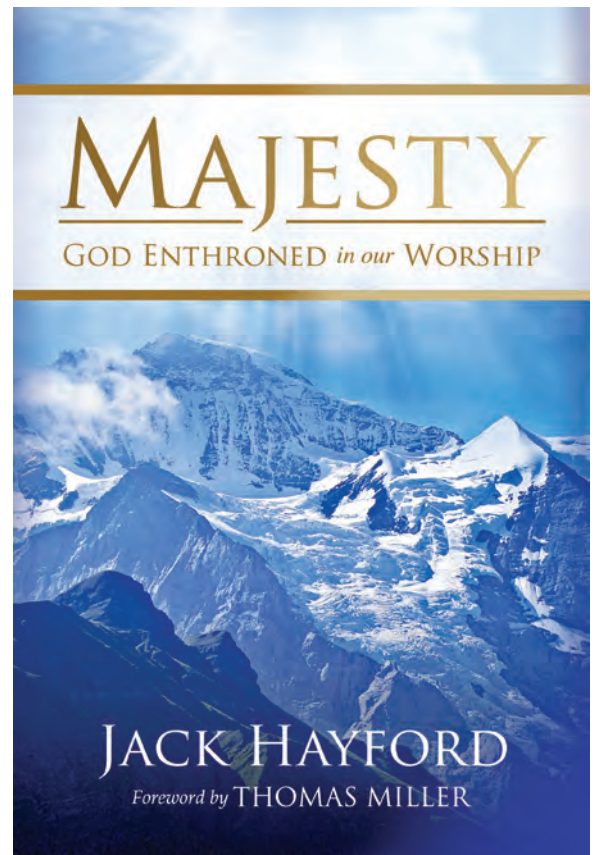

The Father doesn't need our praise. So why does He prescribe worship as a daily activity? God graces His people with worship as a gift. When we enter His presence, worship fulfills our spiritual needs as nothing else can. We recognize and acknowledge God's holiness and are liberated to discover genuine wholeness. In this new revised version of his classic bestseller *Worship His Majesty*, Pastor Jack shows us the blessings of praise and how God's grace fills everything He gives and calls us to do. When your worship enthrones His majesty, His grace will flood you with spiritual enrichment.

# THE PASTOR & THE KINGDOM

Essays Honoring Jack W. Hayford

EDITED BY JON HUNTZINGER, PhD AND S. DAVID MOORE, PhD

In celebration of the life and ministry of Jack Hayford at the twentieth anniversary of the founding of The King’s University, *The Pastor & The Kingdom* offers essays by distinguished scholars, educators, and practitioners across the broad spectrum of the Christian tradition. These essays honor the man known as “Pastor Jack” by tens of thousands of people.

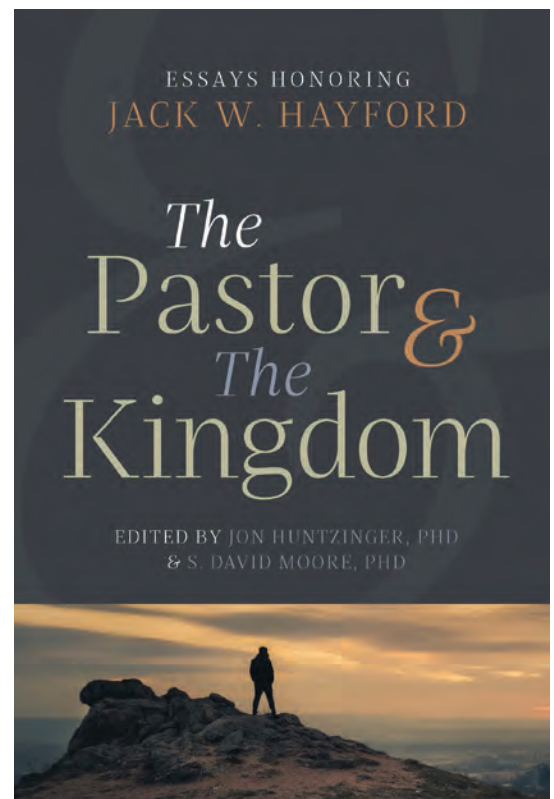

Jack Hayford has long viewed his ministry as belonging to the Lord Jesus Christ, refracted in and through Him by the Holy Spirit, and expressing the will and rule of God the Father. God’s rule—or kingdom—is manifested in Jack Hayford’s life as he has submitted and lived in the presence of Jesus Christ. How does Jack Hayford talk about God’s kingdom? He tells of God’s Spirit and the free worship of God’s people before Him. Jack Hayford talks about peacemaking, reconciliation, and the “One New Man” described by the apostle Paul. He speaks of calling, empowerment, and the release to serve without discrimination. And he teaches about discernment, courage, and engagement with culture in the future-present time in which we live. The essays presented in this book resonate with those themes.

# SINAI IN THE SANCTUARY

A Mountain Theology

JON HUNTZINGER, PhD

**Experience the presence of God like Moses did on Mount Sinai. God is very close. His voice is clearer than you think.**

People search for who they are and why they are here. We hunger for God's voice, but don't know how to hear Him. We are willing to worship at a distance, but are we willing to ascend to His presence?

Through Christ, the mountain has come to us. Jon Huntzinger traces the biblical and theological thread of God's encounter with His people at Mt. Sinai.

Sinai is the place where God speaks His Word and reveals His ways. It's in fire and thunder, a still small voice, and a gentle wind. Sinai will forever change you. God has come down—are we willing to go up?

## About the Author

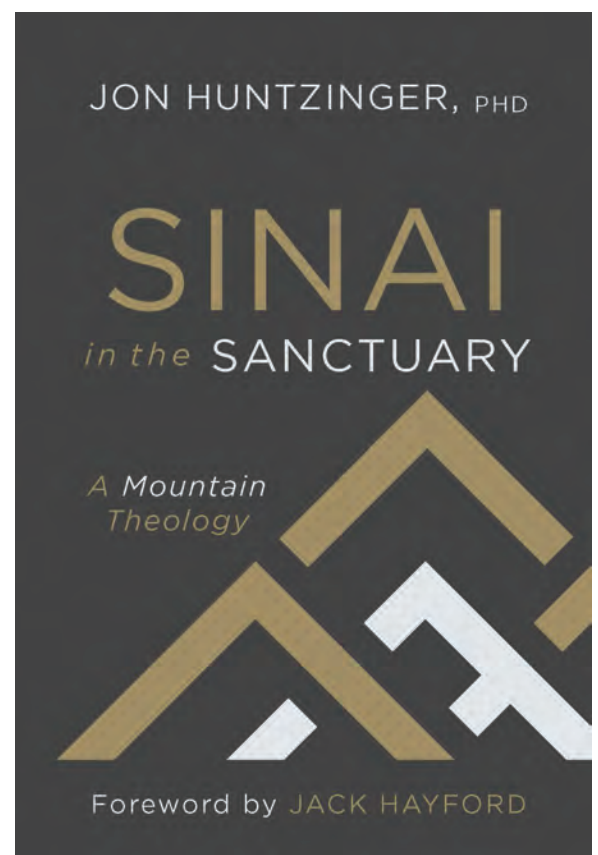

**Jon Huntzinger** is the distinguished professor of Bible and ministry at The King's University in Southlake, Texas. He holds a PhD in biblical studies from Fuller Theological Seminary (1999). He and his wife attend Gateway Church in Southlake, Texas, where he teaches in Gateway's Equip program.

As you find fresh expressions of worship, you will discover that its beauty and depth are unending. All creation worships God, so real worship most certainly concerns you and me.

# MAKE YOUR MARK

A 40-Day Devotional by Gateway Women

## GATEWAY WOMEN

Forty days of devotionals written by women who want to discover how to live a life that impacts those around them. Can be used by individuals or in small-group studies.

Whatever your gifts, passions, or stage of life, you can make a mark on people around you. Don't wait for what will be. Instead, begin now. God wants to use you in your everyday life to bless others.

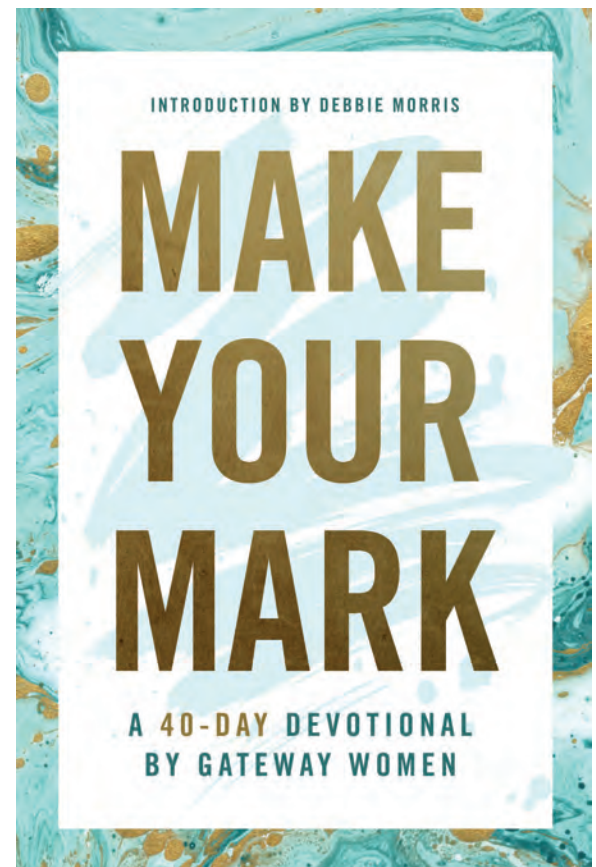

Pastor Debbie Morris writes in the introduction: "If you have asked Jesus into your heart, you are accepted. Your quest to make a mark is not to find significance. You have significance. You are loved. You are highly favored. You are known by God. You are special."

A Gift of Time

BONNIE SAUL WILKS

**You have to stop to go forward.**

Everyone is busy. The pace of life is fast. Families struggle to connect and have quality time. People are just burned out. Rest is a luxury we think we can't afford.

However, we can't afford not to rest.

Sabbath celebration is good for you. It is God's gift to all men and women—not just the Jewish people.

- The rhythm of rest allows time to breathe
- Families learn to bless one another
- Relationships are refreshed
- Joy is restored
- Energy is renewed

Take one day to rest and see what God will do with the remaining six.

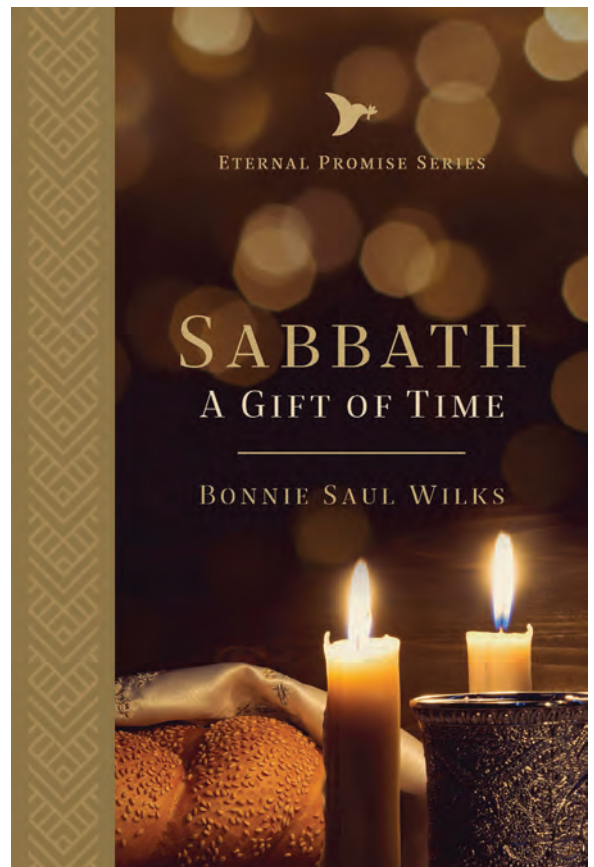

*Includes seven authentic Sabbath recipes.*
